## DEAR TRINITY FRIENDS

When I was a teenager, I read an article about an elementary school that was experiencing unprecedented success as measured both by the performance of individual students and the transformed culture of the school. There was one weekly practice the teachers and students had adopted that struck me. At the end of each week, students and teachers alike would take the time to write down and to share one accomplishment that week that they were proud of and one thing they wanted to do better the next week. The article was making a case for the power of ongoing evaluation and goal setting. An annual report is an exercise in just that.

In reviewing 2018, we celebrate the places where we are living into our mission and core values (making God's love visible through welcoming, worshiping, caring, gathering, learning, serving, leading and giving) and we name the progress we are making toward the three overarching goals of Vision2020: Engaging our Members, Serving God's World and Strengthening our Core. Looking back will also help us to see opportunities for us to "do better" next year. Jim Collins, an organizational guru, notes that in non-profit organizations outputs defy measurement; still, we measure. Numbers never tell the whole story, but they are important indicators. The session and staff are responsible to prayerfully discern what they indicate and to ensure that we are making an impact aligned with our mission, even when that is difficult to quantify.

In January 2018, the Trinity session chose Welcoming Intentionally as our focus value for the year. Not to the exclusion of our other core values, but as a value that could permeate all our other values. We hoped that all of our ministries would consider how to be more intentional in welcoming others. At each session meeting, there was time allotted for elders to share stories about their efforts to be more actively welcoming in the spirit of Christ. Three particular examples of intentional welcome that came to life in 2018 were the launching of our informal worship service, the growth of our Young Adult Ministries and the completion of The Loft:

1. Informal worship has been an entry point for engaging new members as well as re-engaging long-time members. Building on the abundant gifts of Trinity's worship, the informal service is aligned with the same values as our formal worship service and is expanding our reach to all generations.
2. Young Adult Ministries has continued to grow under the leadership of Rev. Betsy Lyles Swetenburg. Engaging young adults is a critical calling for the church today as studies show that many young adults find the church inaccessible and irrelevant. Under Betsy's leadership, young adults are discovering meaningful relationships, exploring where faith intersects with their

lives, serving others through mission and advocacy, participating in worship with the whole church, and gaining a vision for their commitment to the church's mission.

3. Youth and Families are discovering the same things under the leadership of Rev. Andrew Esqueda. The completion of The Loft in 2018 has provided a welcoming space for youth and adults, and it hums with activity all through the week. The co-chairs of the project, Blaine Kelley and Lacey Jordan, rallied Trinity members to support this Vision2020 goal with advance gifts to our anticipated Vision2020 capital campaign.

As we approach 2020, our Strategic Planning Team led by Doug Reid and Susan Reese reported in 2018 on the progress our ministries have made toward our Vision2020 goals. Twenty-eight of the 36 goals have been achieved or are ongoing, eight will be rolled into Trinity's next strategic plan and a possible capital campaign. The goals requiring capital investment began to be explored in 2018 by a capital campaign steering committee appointed by the session. Co-chairs of that committee, Margaret Reiser and Jim Blitch, along with Rev. Dr. Richard Floyd are working diligently with a devoted group of Trinity members to test the feasibility of a Sowing Seeds Campaign to fund goals related to:

- Engaging Our Members: Spaces of Intentional Welcome
- Serving God's World: Mission partnerships that transform lives and communities through education
- Strengthening Our Core: Ministries, infrastructure, and systems that are essential to our life together

You will hear more about this as they are seeking input from every Trinity member.

I hope you will read through this annual report prayerfully, and think about one way you were engaged at Trinity in 2018 that you can celebrate, and one new way you might get more deeply involved in the coming year. YOU are Trinity church, and it is only through your generous gifts of time, energy, love and resources that we can Make God's Love Visible in very tangible ways.

Thanks be to God and to you,

### CONGREGATIONAL CARE

Under the umbrella of Congregational Care is Pastors' Aid Committee, The Gathering, Visitation, Stephen Ministry, and Counseling & Enrichment. Each of these groups provide compassionate care to the Trinity family in a variety of ways. Pastors' Aid Committee provides care in times of illness, death, or other difficult life circumstances. The Gathering, is an outreach program to Trinity members who are caregivers to a family member. Our Visitation Ministry provides a visitation partner to Trinity members who are unable to regularly attend church or fellowship with the congregation. Stephen Ministers are laypeople trained to provide one-to-one Christ-centered care. The Counseling and Enrichment Committee sponsors educational programming and support services to enhance the mental health and emotional well being of Trinity members.

We believe that to bear one another's burdens is to fulfill the law of Christ. We seek to build meaningful relationships with one another, caring for one another with grace, compassion, and mutual support, loving one another as Christ loves us.

## TRINITY EXPLORES

Trinity Explores seeks to nurture the intellectual and spiritual lives of adults both in the Trinity congregation and in the broader community; its series of courses of the highest quality enrich the experience of faith and support Trinity's larger mission of "encouraging that continual exploration and insight which keeps us open to the new world God is always creating." In 2018 speakers included theologian Walter Brueggemann, Rev. Paul Roberts from Johnson C. Smith Seminary, Dr. Gina Caison from Georgia State University, and Rev. Jen Butler from Faith in Public Life.

We believe that lifelong learning is at the very heart of the Christian life; to be a disciple is to be a student. We encourage intellectual inquiry and spiritual curiosity at every age, knowing that Christian unity does not require uniformity. We believe that learning is holistic, and so we are purposefully about exploring spiritual practices that connect us to God and one another so that we may more faithfully follow in the ways of Jesus.

### CONGREGATIONAL LIFE

The Congregational Activities and Events Committee focused on its mission of encouraging a broad range of the church membership to participate fully in the life of the church. At the end of the program year, we acknowledge and celebrate the many volunteers and elders at Trinity Church. Part of the celebration included a BBQ lunch prepared by Trinity's Holy Smoke BBQ Crew and was attended by more than 300 people. Other congregational events throughout the year included Jazz in the Courtyard and the Fall Kickoff Picnic.

We believe that spiritual growth and the abundant Christian life are experienced in community, not in isolation. The psalmist reminds us that fellowship with one another is a “very good and pleasant” blessing, and the book of Acts teaches us that the first believers “spent much time together with glad and generous hearts.” And so we gather, not only for worship, education, and service, but also for sharing life and for celebrating.

## 22 MISSION PARTNERS

### MISSION SUPPORT

In 2018, Trinity gave \$412,750 to 22 mission organizations that are about the work of healing and reconciliation in both local and global contexts; supported trips to connect and deepen our relationships with partners in Cuba and Haiti; and continued to study and inform people on important public policy issues. We continue to stand with those who face incredible challenges.

We believe in serving the common good by reaching out beyond ourselves to care for God's creation, and to boldly address human needs through social action and advocacy. We serve wholeheartedly as an expression of our faith, remembering that Jesus "came not to be served but to serve."

# LEAD HUMBLY

We believe that we are called to cultivate servant leaders to serve in the church, the community, and the world. We seek to lend a voice to conversations related to the most pressing local, national, and global issues of our time. With humility, we seek to be a catalyst for renewal in the larger church and in ecumenical and interfaith partnerships that renew the world in God's love.

### 2018 COMMITMENT CAMPAIGN

The 2018 Commitment Campaign theme was based on Jeremiah 27:9. The campaign co-chairs, Margaret Reiser and Scott Thompson, sought to engage more people in the campaign with small group conversations. They also emphasized the importance of participation regardless of the amount pledged. The 2018 campaign goal of \$3.9 million and 675 pledges was exceeded!

We believe that generosity is the only antidote to fear and scarcity. As stewards seeking to love God and our neighbors, we give generously of ourselves, our time, and our resources in response to God's generosity toward us. We recognize that we are called to be responsible stewards of all God's gifts, including our financial and natural resources, our facilities, and the gifts of our staff and members.

## TRINITY TRUST

The Trinity Trust has been established for those who have looked beyond this life to make a commitment to Trinity's future and for those who wish to give beyond their unified budget support. These gifts are used to enable Trinity to serve its mission beyond what is possible through our annual commitment campaign.
