Welcome back, Youth and Family Ministries!

I hope this letter finds you well and refreshed after a summer filled with exciting adventures and new experiences. As we gear up for another fantastic year, I'm thrilled to share that we have an incredible lineup of activities and events that will bring us even closer as a community.

From fun outings to inspiring small groups, there's something for everyone. Whether you're new to YFM or a seasoned member, I encourage you to join us in exploring new opportunities for personal and creative growth.

As we embark on this journey together, I challenge you to step out of your comfort zone and try something new. You never know what amazing experiences and opportunities might come your way.

Remember, I'm here for you and cheering you on every step of the way! Don't hesitate to reach out—I'm always just a text away.

Let's make this year one to remember and continue building a strong, supportive community that inspires us all to be our best selves.

Emily

A Letter From Jean:

After a joyful summer of trips and Wonderful Wednesdays, I am feeling thankful for our community, the lessons we've learned together, and how close we've become. Your enthusiastic participation made such a wonderful summer possible! Trinity Youth is thriving because of your contributions.

As we enter the new school year, I hope you'll keep that momentum going! When we see you at small groups, share your highs and lows of the week. At Youth group, join in on a silly game and reflect on scripture. In worship, sing hymns with us and pass the peace of Christ. The staff of Family Ministries works hard to craft programs and lessons that you can connect with, but we know it's you who brings this community of belonging to life!

We're excited to see you and support you this year! Know that you are loved and you belong here.

Jean Shults
Director of Middle School Ministries

A Letter From Tanner:

As the Fellow in Youth Ministry and the newest member of the Youth and Family Ministries team, I am thrilled to partner with you in the work you are doing in the lives of our youngest Trinity family members!

Over the past few months, I have enjoyed participating in and planning youth events, including backyard barbecues, late-night ping pong tournaments, and a spiritually enriching trip to the Montreat Youth Conference. I am deeply grateful for the Christlike fellowship modeled by our youth.

Looking ahead to the coming school year with the rest of the team, I believe the best of Trinity Youth is yet to come. We have many exciting trips and events planned and have been thoughtfully and prayerfully considering how to continue cultivating a caring community among our members. We would love for you to join us in this endeavor!

With abiding joy for all that God has in store for us in the coming year, grace and peace to you and yours.
