

Sunday Education Hour

Children's Sunday School

Infants – 4-year-olds | D-106: 10:50 am

Infants to 4-year-olds begin the hour with Mr. Music, followed by a storybook Bible lesson and activity from the God Loves Me series.

Kindergarten – 5th Grade | Drop off in the Gym: 9:45 – 10 am | **Pick up in the Gym:** 10:50 am

Kindergarten & 1st Grade: D-116

The Kindergarteners & 1st Graders will begin the year with Worship Education, learning about worship at Trinity and worldwide, then follow the Dig In curriculum to explore Bible stories and build friendships.

2nd & 3rd Grade: D-112

The 2nd & 3rd Graders will begin the year with Bible Education, learning how to use and read the Bible, then following the Dig In curriculum to explore Bible stories and build friendships.

4th – 5th Grade: D-210

The 4th & 5th Graders will use the Dig In curriculum to explore Bible stories in greater depth, reflecting on how to apply what they've learned to everyday life.

Youth Sunday School | The Loft

Trinity Youth will rotate through three practices in Sunday School: Sabbath Sundays with breakfast and relaxing activities, Study Sundays with scripture or intergenerational learning, and Service Sundays volunteering, fostering deeper connections to the Trinity Community.

Connections | A-116

Connections is a discussion-based class that explores a reading, podcast, or video that has been shared before the class meeting. The gathering is mostly member-led, with occasional conversations facilitated by pastoral staff. Reading or listening ahead is helpful, but not required.

Foundations | Chapel Parlor

Foundations is a member-led, discussion-based class that focuses on discovering new meaning in familiar scripture each week. Advance preparation is not required.

Williams Hall Presentation | Williams Hall

Each week, there is also a presentation-based class offered in Williams Hall, often with an outside speaker who is an expert on the topic at hand. These offerings will also include time for discussion and questions during or after the presentation. Advance preparation is not required. This weekly class is livestreamed.
